KARNAVATI GROUP

Karnavati Group, which has been a trusted name in the industry for over 30 years. The directors of Raj Kesari Rocks, Pratik Darda, Sanjay Darda, Hardev Sahu, and Ashish Pokharna, has accumulated wealth of experience in industries like mining, fabrication of marble & granite, and engineered stone. Raj Kesari has now ventured into the engineered stone Quartz slabs manufacturing with its brand **QRocks**. Founders' leadership has been instrumental in driving the vision of the company and ensuring its continued growth. Their extensive market knowledge and technical expertise has played a crucial role in the brand's success.

AT Karnavati we use the latest cutting-edge technology to produce top-of-the-line engineered Quartz slabs. We take great pride in equipping our plant with advanced **Italian technology**, renowned for its precision, reliability and efficiency. To produce perfect slabs, we utilize full automation, resulting in consistent and high-quality final products that consistently meet the highest industry standards. We prioritize the safety of our workers and the environment by implementing advanced safety features throughout our plant. We use high caliber MBD machines and Italian tools to ensure perfect calibration and finish with our 30 head polishing machine. We have also implemented robotic loading and unloading systems to enhance our production processes. **Karnavati** has advanced laboratory facility with highly experienced and skilled R&D (research and development) team. Our rigorous in-house control of raw material quality ensures that our slabs consistently meet the highest standards of quality.

Our team of dedicated professionals are passionate about their work and strive to exceed customer expectations. We believe in building long-lasting relationships with our clients and our goal is to become the go to brand for all interior solutions. We have a wide range of quartz surfaces that are designed to cater to the varying needs of our customers, from sleek and modern to classic and elegant. With a focus on global reach, **Karnavati group** exports its products to various countries worldwide, including the United States, the United Kingdom, Europe, and the Gulf Countries. With a commitment to excellence, innovation, and sustainability, **Rocks** aims to follow in the footsteps of its parent company and achieve global recognition for its luxurious engineered quartz slabs.
